

Sound Operator Volunteer Role and Responsibilities

At The King's Church, Wisbech our vision is: 'That we may present everyone mature in Christ' – by Loving Jesus, Building Relationships and Serving our Community.

By volunteering to be part of the Sound Team you are playing a part in making this a reality in your life as well as in the lives of others. The Sound Team exists to enhance our gathered worship by supporting the Band as well as the Service Leaders and Preachers with amplified sound, therefore helping all in the congregation to hear clearly.

Serving as a volunteer not only helps others, but it also helps you and your discipleship. 'Serving our Community' is one of the three core pillars of our vision and all three should be in place in your life in order for you to grow in maturity in Christ. So thank you for taking this step and we pray it will be a real benefit to your spiritual growth too. Your help is greatly appreciated.
