Building Relationships: Relationships in the Church

Notes and questions from video:

Things to pray about:

Discussion questions:

1. What is a church? What first comes to mind when you hear the word? Or, how do you think others might perceive what church is?
2. If you haven't already done so, take turns going around the room introducing yourself and giving one fact about yourself.
3. On a scale of 1-10, with 1 being the lowest and 10 the highest, how much importance do you place on your relationships with other Christians?
4. Can you give an example when another Christian has done something or said something that has blessed or encouraged you?
5. Read 1 Corinthians 13. What can we learn from this passage about how we should behave in our relationships?
6. What are some of the things that get in the way of you intentionally building relationships with others in church? What can you do to overcome them?
7. How often do you meet with Christians outside of the Sunday meeting? What can you do to increase this?
