2. If Jesus always was God and always was with God, what do we say to those who think God of the Old Testament is different to God in the New Testament? (It may be helpful to refer back to Colossians 1 verse 15 and Hebrews 13 verse 8).

Part B

1. Colossians 1 verses 15-19. What is the connection between Jesus and our world?
2. Philippians 2 verse 10 states that Jesus is Lord - what does that mean not only for us but for the world?
